PROFESSIONAL SUMMARY

Project Management professional with 20+ years of experience leading end-to-end delivery of complex, client-facing programs within U.S. Health & Welfare Benefits operations. Proven track record managing cross-functional and global teams, translating client requirements into functional specifications, leading Client Acceptance Testing, and driving process improvement for programs serving 100,000+ participants. Skilled in stakeholder management, SLA/risk tracking, vendor coordination, and system implementations (Workday, iSolved, HRIS).

PROFESSIONAL EXPERIENCE

Abel HR — Benefits Administrator

Feb 2025 – Present

- Administer employee benefit programs including enrollments, terminations, changes, and claims processing
- Implement new and ongoing client benefit programs on the iSolved platform
- Lead Open Enrollment execution, including annual FSA/HSA enrollment and life-event processing
- Compile benefit reporting from the HRIS system to support client and internal reporting needs

Conduent HR Services LLC — Senior Benefits Administrator, Project Management Team

Nov 2022 – Sep 2024

- Managed client projects from initiation through delivery, gathering requirements and authoring functional specifications in direct partnership with clients
- Led Client Acceptance Testing and coordinated cross-functional, global teams to ensure seamless implementation
- Delivered weekly/biweekly stakeholder status updates and managed planning for annual and ongoing project cycles
- Directed the Annual Dependent Verification and Annual Full-Time Student Audit projects end-to-end
- Produced HR/benefits reporting and ACA compliance reports; conducted periodic audits of benefit and life insurance records

Wipro India Pvt Ltd (formerly Alight Solutions) — Benefits Operation Manager, H&W

Oct 2014 – May 2022

- Managed daily operational strategy and workflows for a Health & Welfare benefits team, overseeing enrollments, COBRA, HRIS reconciliation, and direct billing/payments
- Led the Annual Documentation Audit project for 100,000+ participants, partnering with clients and carriers on plan changes and communications
- Served as primary escalation point for client/vendor queries; led weekly service reviews and SLA/risk tracking
- Directed peer and new-hire training programs; facilitated cross-functional and cross-region collaboration
- Reduced repeat-call volume by partnering with customer service on root cause analysis and process improvements
- Managed year-end audits and plan documentation review with external auditors and carriers

Aon India Pvt Ltd — India Operation Manager

Jan 2010 – Sep 2014

- Ensured on-time delivery of client workflows, HR files, and reporting across multiple accounts
- Developed and delivered operational and domain-specific training programs
- Reviewed and updated SOPs in line with evolving business rules and client requirements

Hewitt Associates India Pvt Ltd — Benefits Analyst / Experienced Benefits Analyst / Team Member

Aug 2004 – Dec 2009

- Progressed through three roles supporting U.S. Health & Welfare benefits operations, including QMCSO case review, participant query resolution, and SOP documentation
- Trained new hires and provided subject-matter-expert support; conducted process audits and proposed improvements
- Transitioned client processes on-site in New Jersey, US, supporting a multi-country delivery team

KEY PROJECTS

- **Annual Documentation Audit (100,000+ participants):** Led end-to-end audit project coordinating client, carrier, and internal teams on plan changes and compliance documentation
- **Annual Dependent Verification & Full-Time Student Audit:** Owned project planning, execution, and stakeholder communication for two recurring compliance-driven audit programs
- **Client Implementation Projects:** Gathered requirements, wrote functional specifications, and led Client Acceptance Testing for new and ongoing benefits platform implementations (Workday, iSolved)
